BRONCO SPORT IS BUILT WILD™

Mount up and seek out untamed places¹ in the all-new 2021 Bronco Sport. An heir to the storied Bronco name and an homage to its unmistakable style, this beast of a small SUV is made to go where you do. 4x4 is standard across all 3 trim levels: Big Bend, Outer Banks and Badlands. The Terrain Management System™ with standard and available G.O.A.T. Modes™ (Goes Over Any Type of Terrain) can be found as well. So get ready. It's time to recapture the spirit of the off-road.

THERE ARE MANY WAYS OFF THE BEATEN PATH

[1.5L ECOBOOST® WITH AUTO START-STOP TECHNOLOGY]

Getting to the campsite or trailhead is easy with the adventure-ready engine and 4x4 system standard on the Bronco Sport Big Bend™ and Outer Banks™ trims. Embrace the thrill of the 181 hp,¹ 190 lb.-ft. of torque¹ and the 8-speed automatic transmission as you power your way across the rugged landscape.

BIG BEND. Alto Blue Metallic Tinted Clearcoat.² Always consult the owner's manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear. **1.** Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. Horsepower and torque are independent attributes and may not be achieved simultaneously. **2.** Additional charge.

[2.0L ECOBOOST® WITH TWIN-CLUTCH REAR DRIVE UNIT]

With 250 hp¹ and 277 lb.-ft. of torque¹ at your command, the Badlands™ model of Bronco Sport is a pinnacle of high-speed, off-road thrills.² A SelectShift® automatic transmission with paddle shifters is included. As is an Advanced 4x4, off-road suspension and a twin-clutch rear drive unit. A rear differential locking feature takes advantage of the twin-clutch hardware to allow greater off-road performance, similar to a traditional mechanical locker. This way you can follow the trails – wherever they lead you.

[OFF-ROAD CONFIDENCE]

No stranger to the great unknown, Badlands offers several innovative features for when you're in the middle of nowhere. Trail Control™ is there to help you navigate more easily over rough terrain by managing the throttle and braking between individual wheels. And the front 180-Degree Camera³ with Split View and Washer helps give you clear visibility of what lies ahead via your SYNC® 3 screen. The water-fording capability has even been upped to 23.6"⁴. There's also a full-size spare at the ready in case your path takes an unexpected turn.

BADLANDS. Cyber Orange Metallic Tri-coat.⁵ Available equipment and aftermarket accessories. Recreational equipment not included. **1.** Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. Horsepower and torque are independent attributes and may not be achieved simultaneously. **2.** Always consult the owner's manual before off-road driving, know your terrain and trail difficulty, and use appropriate safety gear. **3.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See owner's manual for details and limitations. **4.** Water-fording capability of 600 mm/23.6" depth on Bronco Sport 2.0L; 450 mm/17.7" depth on Bronco Sport 1.5L. Always determine the water depth before attempting a crossing and proceed slowly. Refer to your owner's manual for detailed information regarding driving through water. **5.** Additional charge.

[TESTED AND PROVEN]

Bronco Sport was put through its paces on the same punishing high California desert as the famed King of the Hammers off-road competition. Badlands is the ultimate result of those experiences. With up to 8.8" of ground clearance¹ and 2 additional G.O.A.T. Modes (Mud/Ruts and Rock Crawl), this model has proven it can tackle rugged terrain.

BADLANDS™

Pinnacle of off-road performance, equipped for rugged terrain and off-road excitement.

Get the most of the great outdoors with a command center geared toward adventurous travels. Analog speedo/tach and digital message centers provide crisp displays, while the rotary gear shift dial allows for a more streamlined center console with optimized storage space versus a traditional gear shift lever. USB ports and powerpoints for phone charging are included as well, while an available moonroof can let the sky in on the fun. And at the center of it all – a steering wheel complete with Bronco badging.

OUTER BANKS.™ Ebony and Roast leather-trimmed seating. Available equipment.

2021 FORD BRONCO™ SPORT

caribe.ford.com | centroamerica.ford.com

With nods to the original Bronco, the interior of Bronco Sport provides a level of comfort to match its off-road prowess. A driver's footrest, available zipper pockets, and an available easy-clean cloth interior (not shown) for all the mud and grime you're bound to bring back with you, are all welcome highlights. As are the available 8-way power driver's seat and the available B&O™ Sound System by Bang and Olufsen. They're perfect for when you're ready to settle in for a long road trip. And the Safari Style Roof provides front and rear head room – enough, in fact, that with the available Yakima® dealer-installed interior bike rack, you can stand two 27.5" wheel-mounted bikes upright when the rear seats are folded down.

BADLANDS.™ Ebony and Roast leather-trimmed seating. Available Badlands Package. BANG & OLUFSEN and B&O are registered trademarks of Bang & Olufsen Group. Yakima is a registered trademark of Yakima Products Inc.

Bronco Sport is made to take you into the wilderness, but what you do once you reach your destination is just as important. A slide-out table included with the available Cargo Management System provides an ideal space to lay out your equipment, while the adjustable liftgate flood lights illuminate up to almost 12 sq. meters when no other light is around. Available 110V/150W or 400W AC power outlets provide you with a convenient way to keep your gadgets charged and running, and add to the idea that, wherever you stop, Bronco Sport can help you make camp with ease.

OUTER BANKS.™ Iconic Silver Metallic. Available equipment and aftermarket accessories. Recreational equipment not included.
