

2022 FORD
ESCAPE®

GETAWAYS

MAKE LIFE MEMORABLE.

Spontaneous experiences enrich our lives. The next time adventure beckons, you'll be ready to respond with confidence in the 2022 Ford Escape. You'll enjoy the power of the 1.5L EcoBoost® engine, as well as up to 5 Selectable Drive Modes with available Intelligent AWD. There's a spacious, adaptable interior with sliding rear seats that offer plenty of leg room. And plenty of advanced technology.

Available Ford Co-Pilot360™ Assist+ includes Adaptive Cruise Control with Stop-and-Go and Evasive Steering Assist. Plus, several new available packages can help you personalize your vehicle, like the SE Sport Appearance Package (shown). It's time to elevate your travels – and start making extraordinary memories – in the 2022 Escape.

SE. Atlas Blue Metallic. Available SE Sport Appearance Package. Available equipment. Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment.

EMPOWERING AND POWERFUL.

To help conserve fuel, the 1.5L engine can sense when a cylinder isn't needed and shuts it down, deactivating or activating it in milliseconds to maintain a seamless ride. This engine also features Auto Start-Stop Technology that can help reduce fuel consumption and vehicle tailpipe emissions when the vehicle is fully stopped.

1.5L ECOBOOST®

181 MAX. HP^{1,2}

190 MAX. LB.-FT. TORQUE^{1,2}

SEL. Star White Metallic Tri-coat.³ Available equipment.

1. Horsepower and torque are independent attributes and may not be achieved simultaneously. **2.** Horsepower and torque ratings based on premium fuel per SAE J1349® standard. Your results may vary. **3.** Additional charge.

SEL. Ebony ActiveX™ Trimmed Seats. Available equipment.

AMENITIES.

TAKE COMFORT IN CONTROL.

Every Ford Escape offers a roomy front-row experience that includes a streamlined center console and nicely calibrated rotary gear shift dial. Available heated sport contour front bucket seats and an available heated steering wheel offer extra comfort on chilly days. The available 12.3" digital instrument cluster features a configurable display and 3D animations. Plus, there's an available B&O® Sound System that uses 10 high-performance speakers to transform 575 watts of digitally processed sound into pure audio bliss.

U.S. model shown.

CAPABILITY.

SELECT YOUR DRIVE MODE.

Ford Escape lets you create the drive experience you desire, or the one that conditions demand, with easy-to-use Selectable Drive Modes. Choose your mode and the system adjusts traction control, steering and pedal response, and available Intelligent AWD to help provide a remarkable driving experience. 3D animations on the available 12.3" digital instrument cluster change based on the drive mode you select.

SEL. Rapid Red Metallic Tinted Clearcoat.¹ Available equipment. ¹ Additional charge.

NORMAL

You'll probably spend the most time here. Ideal for everyday driving on wet or dry paved roads. A balance of excitement and convenience.

SPORT

Increases throttle response, provides quicker shifts for a more aggressive feel, and allows the transmission to hold shifts longer to help accelerate faster when shifting. For more "sporty" on-road driving.

ECO

Exactly as it sounds. Eco helps maximize efficiency and increase driving range.

SLIPPERY

For better handling on surfaces covered with ice, water, grass or gravel, this mode adjusts the pedal response and traction control.

DEEP SNOW/SAND

Adjusts the transmission shift schedule, pedal response, traction control and driveline configuration for better handling in deep snow or sand. Included with available Intelligent AWD.

SEL. Carbonized Gray Metallic. Available equipment.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations.

CONFIDENCE IS EVERYTHING.

Changing lanes. Keeping your distance. Helping avoid potential collision hazards. Ford Co-Pilot360™ driver-assist features can help you in a variety of situations and conditions, as they can supplement your driving skills¹ and help you feel confidently in command.

FORD CO-PILOT360 TECHNOLOGY

Standard on every 2022 Ford Escape

- Pre-Collision Assist with Automatic Emergency Braking (AEB)
- Lane-Keeping System
- BLIS® (Blind Spot Information System) with Cross-Traffic Alert
- Auto High-Beam Headlamps
- Rear View Camera

Stay on track, and take comfort knowing you'll be guided along the way, thanks to these high-tech features.

FORD CO-PILOT360 ASSIST+

Available on SE and SEL

- Adaptive Cruise Control with Stop-and-Go and Lane Centering
- Evasive Steering Assist

VERSATILITY.

ADAPT IT TO YOUR AGENDA.

Whatever adventures your day holds, Ford Escape is designed to help you enjoy them. Want to seat up to 5 adults? Do it comfortably with a total passenger volume of up to 2,944 liters.¹ Need to carry a full-size dog crate?² Slide the rear seats fully forward to create up to 1,061 liters¹ of cargo space behind them. You can also fold both sections of the 60/40 split rear seats down for up to 1,851 liters¹ of max. cargo space. To help keep items out of sight, the available easy-access cargo shade rises and lowers along with the available hands-free, foot-activated liftgate.

TITANIUM. Sandstone ActiveX™ Trimmed Seats. Available equipment.

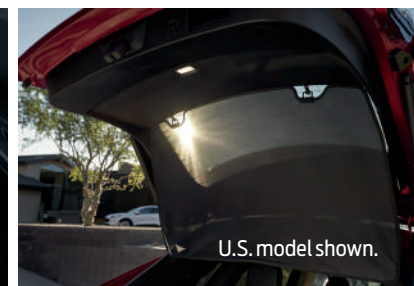

1. Cargo and load capacity limited by weight and weight distribution. 2. Can accommodate dog crate of 36" L x 23" W x 25" H.

U.S. model shown.

LATITUDE.

SLIDE SEATS BACK TO RELAX.

Treat friends and family to the surprising freedom of sliding rear seats that offer plenty of leg room. The rear seat backs can also be reclined while passengers take a break, enjoying the shade provided by available rear-window and liftgate privacy glass. You'll find up to 2 available smart-charging USB ports up front, plus a set of available USB ports (1 USB-A and 1 USB-C), or up to 3 available 12V powerpoints. Every model offers plenty of ways to keep your devices charged and at the ready. Those in both rows can use the roomy door pockets and convenient beverage holders to stow travel essentials and stay hydrated on short and long journeys alike.

SEL. Ebony ActiveX™ Seating Material. Available equipment.

1. Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

CONNECTIONS.

NUTURE YOURS WITH TECH.

Staying in touch on the go is easy in Ford Escape. Available voice-activated SYNC® 3¹ puts just what you need on the tip of your tongue – or right at your fingertips – thanks to a vibrant 8" touchscreen, while your smartphone lets you use Siri® or Google™ to stay connected while keeping your eyes on the road and your hands on the wheel. Voice commands allow you to control your favorite apps on your paired smartphone or other mobile devices.

INSPIRATION.

REDISCOVER JOY IN EVERY DAY.

Since its conception, Ford Escape has epitomized the fun-loving freedom of spontaneous road trips.

This current generation makes extensive use of lightweight, high-strength steel and high-strength boron steel. Its isolated rear subframe contributes to a comfortable ride, while an 8-speed automatic transmission provides smooth, responsive performance. Torque Vectoring Control helps the vehicle track on your intended path, especially on wet or slippery surfaces.¹ And electric power-assisted steering provides light, responsive steering while parking, and confident control at higher speeds.

These and a myriad of other details are purposefully combined to help Escape empower your urban adventures and back-road getaways alike. Lifting your spirits at every turn.

SE. Atlas Blue Metallic. Available SE Sport Appearance Package. Available equipment.

1. Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

S

Turn the rotary gear shift dial to Reverse. Before you're out of your spot, the Rear View Camera¹ and sensors from Cross-Traffic Alert¹ can detect a vehicle driving by, and alert you to help you avoid it. Then a light rain starts. With the 1.5L EcoBoost[®] with front-wheel drive (FWD), just switch to "Slippery" drive mode for increased control. Calling coffee orders ahead? Use SYNC[®] voice-activated technology² to do it without touching your phone. You're road trip-ready in the Ford Escape S.

S. Oxford White. Available equipment.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See Owner's Manual for details and limitations. 2. Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

PERSONALIZATION MAKES IT YOURS.

ACCESSORIZE IT.

For some people, aluminum wheels and splash guards are enough to set their vehicle apart. But others want to make their Escape truly their own. Ford Accessories allow you to personalize your Escape to your exact needs, interests, hobbies and more. And each accessory is designed specifically for your Escape, so you can be assured of a perfect fit. See your dealer for a complete list of available Ford Accessories.
