

2022 FORD MUSTANG[®]

THERE'S NO POWER LIKE PONY POWER.

Open roads. Closed tracks. Drag strips and long straightaways. This legendary icon thrives on them all. A high-revving celebration of American muscle,¹ the Ford Mustang is meant to be driven. Hard. Over the chicanes and blind corners of the world's premier road tracks to any twisty stretch of blacktop near you. 57 years of Pony power brings us these heart-pounding choices. The Mustang EcoBoost model gets you started in all things Mustang. The mighty Mustang GT Premium pushes your adrenaline level to the redline. And with 760 thunderous horsepower,^{2,3} the 2022 Shelby GT500⁴ is the most powerful street-legal Mustang.^{2,3} Ever. So buckle up for the ride of your life. From this stable, 2022 will move at breathtaking speed.

GT. Cyber Orange Metallic Tri-coat.⁵ Available GT Performance Package.

1. Assembled in the USA with domestic and foreign parts. 2. Horsepower and torque ratings based on premium fuel per SAE J1349[®] standard. Your results may vary. 3. Horsepower and torque are independent attributes and may not be achieved simultaneously. 4. Available early 2022. 5. Additional charge.

Vehicle imagery throughout this brochure may be computer-generated and may include available and aftermarket equipment. GT500 and Shelby are registered trademarks of Carroll Hall Shelby Trust.

JOYSTICK.

Ford Mustang is a visceral thrill ride that turns ordinary days into extraordinary ones. Start with the gear shifter in the fun-to-pedal 6-speed manual, the most tactile connection to the Mustang experience. There's also the unmistakable V8 rumble of Mustang GT to the 4-wheel, fully independent suspension that delivers precise handling. 57 years after taking the World's Fair by storm in New York, this Pony still runs wild.

Every Mustang generates its own set of thrills, starting with EcoBoost and ending with the exclamation point that is the 2022 Shelby GT500. From any angle, there's no mistaking it. The long, seductive hood – and taut, distinctive tail with sequential, tri-bar turn signals – are Mustang signatures that get anyone's blood pumping. As does the blistering performance.

AVAILABLE MAGNERIDE® DAMPING SYSTEM

Provides lightning-quick responsiveness to changing road conditions.

AVAILABLE SELECTABLE DRIVE MODES

Allow you to activate predefined powertrain and chassis calibrations.

6-SPEED MANUAL SHIFTER

Short-throw and fun to put through its paces.

GT. Available equipment.

MagneRide is a trademarked technology of BWI Group.

STANDARD ON EVERY MUSTANG.

MECHANICAL

6-speed manual transmission
Electronic line-lock (track use only)
Fixed front strut-top mounts
Launch control (manual transmission only)
Selectable-effort electric power-assisted steering (Normal, Sport, Comfort)
Suspension – Front: MacPherson strut with stabilizer bar; rear: independent integral link with stabilizer bar
Tire inflator and sealant kit

COMFORT & CONVENIENCE

Auto-dimming rearview mirror
Dual-zone electronic automatic temperature control
Illuminated visor mirrors
Intelligent Access with push-button start
Power windows with global open and front one-touch-up/-down feature
SYNC® 3 with 8" LCD capacitive touchscreen and 2 smart-charging USB ports
Tilt/telescoping steering column
Track Apps™ located in instrument cluster

APPEARANCE

LED headlamps with signature lighting, and LED taillamps with sequential tri-bar turn signals
Power sideview mirrors with integrated blind spot mirrors

B&O

AVAILABLE HEATED STEERING WHEEL

AVAILABLE RECARO® SPORT LEATHER-TRIMMED
FRONT SEATS

AVAILABLE HEATED FRONT SEATS AND
SIDEVIEW MIRRORS

This cabin rocks with an available 10-speed SelectShift® automatic transmission and an available B&O® Sound System that sends 900 watts through 12 high-performance speakers and a trunk-mounted subwoofer. The steering column tilts and telescopes for a better fit. Even the placement of the short-throw 6-speed manual transmission gear shifter allows open access to controls. Like those for the available Selectable Drive Modes and the available digital instrument cluster. Ford Mustang is designed and engineered to heighten your connection – and enjoyment – to the open road.

GT PREMIUM. Midnight Blue leather-trimmed. Available equipment.
BANG & OLUFSEN and B&O are registered trademarks of Bang & Olufsen Group.
RECARO is a registered trademark of RECARO Beteiligungs-GmbH.

DESIGN YOUR DISPLAY.

Personalize Ford Mustang as often as you'd like with the available customizable 12" color LCD instrument cluster. Through the Pony button on the steering wheel, you decide what's displayed: any combination of 1 to 3 virtual gauges (choose from 8), Exhaust mode, Track Apps,TM a Performance Shift Indicator (3 types with configurable rpm), launch control and more. Enhance it further with MyColor.[®] Set your primary, secondary and ambient lighting colors. The cluster, like everything else Mustang, is fast. And oh so responsive.

1. For track use only. Not to be used under any other driving conditions. May void your vehicle's limited warranty. See your warranty booklet for details. 2. Closed track. Line-lock is intended for track use only. It should not be used on public roads. See Owner's Manual for information on use.

MUSTANG TRACK APPS

LIGHT 'EM UP.

At the track. In the cluster. With standard electronic line-lock,² you can "heat up" the Mustang rear tires. As they smoke outside, you'll see them smokin' here as well.

NO STOPWATCH NEEDED.

With the Lap Timer, record your time and average speed at 3 separate tracks. Store up to 100 sessions (a session is 25 laps) in Track Mode.

1,320 FEET OF EXHILARATION.

Start your launch with the iconic "Christmas tree." 3-2-1. Gone! The Acceleration Timer shows you how quickly you reach the 1/4 mile.

Screen display varies by market.

COMMAND THE ROAD

WITH FORD CO-PILOT360™ TECHNOLOGY.

From the driveway to the highway, we can all use more confidence at the wheel. These standard and available driver-assist technologies are about supplementing your driving skills.¹ Helping you feel confidently in command. Equip your Ford Mustang with available Ford Co-Pilot360 Technology, and it can encourage your alertness, help direct you to return to your lane, and even detect vehicles in your blind spots.

FORD CO-PILOT360

These standard smart features can help you with changing lanes, backing up and more. In doing so, they help make driving more enjoyable:

- Autolamp (Automatic On/Off Headlamps) (LHD)
- BLIS® (Blind Spot Information System) with Cross-Traffic Alert
- Rear Parking Sensors
- Rear View Camera

ADDITIONAL TECHNOLOGY

From navigating stop-and-go traffic to finding your way with ease, get help from these available features:

- Adaptive Cruise Control
- Auto High-Beam Headlamps
- Lane-Keeping System
- Pre-Collision Assist with Automatic Emergency Braking
- Rain-Sensing Windshield Wipers
- Voice-Activated Touchscreen Navigation System

GT PREMIUM. Available equipment.

1. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. It does not replace safe driving. See Owner's Manual for system limitations.

AT YOUR SERVICE.

This vibrant 8" touchscreen is the command center of SYNC® 3 voice-activated technology,¹ which integrates your paired mobile phone with Ford Mustang. Make calls. Send and receive text messages. And so much more. Just swipe left or right, or use simple voice commands, to help ensure your life doesn't miss a beat.

SPEAK AND SYNC LISTENS

With your voice and your choice of display, SYNC 3 voice-activated technology¹ connects your tech with your Mustang.

LOVES ROAD TRIPS

The available Voice-Activated Touchscreen Navigation System^{2,3} delivers turn-by-turn directions and vivid 3-D maps on the SYNC 3 touchscreen. Pinch-to-zoom capability allows for a closer look.

Screen display varies by market.

1. Don't drive while distracted or while using handheld devices. Use voice-operated systems when possible. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. Functionality varies by market. 2. Availability varies by market. 3. Restrictions may apply. See your dealer for details.

ECOBOOST¹

ECOBOOST. Carbonized Gray Metallic.
Available equipment.

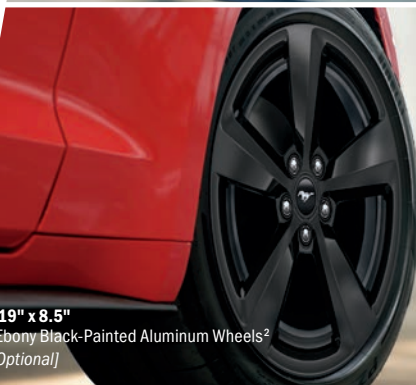

TURBOCHARGED TENACITY. Ford Mustang EcoBoost is designed to custom-fit the way you drive down to the very last detail. Choose the sleek fastback or drop-top convertible. Try and pick a favorite among 4 different wheel choices, from standard 18" machined-face aluminum with high-gloss Ebony Black-painted pockets, to the 19" machined-face aluminum rims with Dark Tarnish-painted pockets included with the Wheel & Stripe Package. Or appeal to the racer inside with the available over-the-top racing stripe. From outside to inside to under the hood, there are so many ways you can make Mustang EcoBoost your own.

GT¹

GT. Eruption Green Metallic.² Available GT Performance Package.³ Available equipment.

HEAR IT ROAR. They'll know you're coming. And when you leave them in your dust. That wicked 5.0L V8 acceleration rumble defines the Ford Mustang GT model. There's nothing quite like it. You can even keep that signature sound to a minimum with available Quiet Start – when heading out at 5 a.m., for instance – to keep you in good graces with neighbors. This high-revving V8 features a dual-injection system and plasma transferred wire arc (PTWA) spray-bore cylinder-lining technology to deliver 450 horsepower^{4,5} along with 410 lb.-ft. of torque.^{4,5} That's just the beginning of its charm. Passionate performance from this iconic fastback includes hitting the 0-60 mark in under 4 seconds.⁶ A 4-wheel, fully independent suspension delivers excellent road feel and precise handling. You'll enjoy making this beast howl. Every chance you get.

Ford Genuine Parts & Service. Keep your vehicle in optimum operating condition with scheduled maintenance service. Ford and Lincoln Dealership technicians know your vehicle inside and out. They are continuously trained by Ford Motor Company and the parts they use are specifically designed for your vehicle. See your dealer for limited warranty information on Ford Original Accessories. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

1. Additional charge. **2.** Ford Licensed Accessory.

FORD ACCESSORIES

PERSONALIZE IT.

For some people, aluminum wheels and splash guards are enough to set their vehicle apart. But others want to make their Mustang truly their own. Ford Accessories allow you to personalize your Mustang to your exact needs, interests, hobbies and more. And each accessory is designed specifically for your Mustang, so you can be assured of a perfect fit. See your dealer for a complete list of available Ford Accessories.
